

Illegal Content

It is not appropriate to make or send nuisance sms texts or phone calls. Locall Australis does not condone such behaviour, and if we detect you doing it we will report you to the authorities.

Making or sending overtly sexual material is illegal.

The Federal Government has introduced criminal offences for using phone services to procure or groom children under 16 for sex.

If you know of any behaviour that is illegal, report it, there is no place for this activity.

Not unlike other broadcast media, content directed through telecommunication devices may raise a legal liability claim under applicable state or commonwealth laws.

Content that may be classified "RC" or "X" such as;

- Child pornography
- Instructions in Crime, violence or drug use
- Actual sex
- Excessive violence

is prohibited, and classified as illegal content.

For further clarification or to report any illegal behaviour, please contact;
